Learn how to implement the evidence-based Nurturing Parenting Programs to meet the specific parenting needs of families.

In three days, participants will learn:

- The Philosophy of Nurturing Parenting
- Five Parenting Constructs of Abuse/Neglect
- The Impact of Maltreatment on Brain Development
- How to Assess High-Risk Parenting Beliefs
- How to Tailor Programs based on Family's Needs
- How to Gather Process Evaluation Data
- How to Evaluate Pre and Post Program Impact
- How to Implement Home & Group-Based Models

TRAINING DESCRIPTION

The three-day training will focus on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, creating competency based parenting lessons and programs tailored to meet the individual parenting needs of families, and implementing programs at the primary, secondary and tertiary levels of prevention.

Participants will experience a hands-on approach to implementing home-based, group-based and a combination home-based/group-based program model.

Participants will learn how to administer and score the online versions of the Adult-Adolescent Parenting Inventory (AAPI-2) and the Nurturing Skills Competency Scales (NSCS), and how to select the best Nurturing Program model for your agency.

Participants will also learn how to monitor the success of families through on-going process evaluation strategies designed to measure the attainment of parenting knowledge and skills.

The Nurturing Parenting® Programs are proven, evidence-based, family focused programs first implemented in 1985 and recognized by national and state agencies for their effectiveness in preventing and treating child abuse and neglect.

Since 1985, over one million families have participated in the Nurturing Parenting® Programs
