This 3-day training will focus on incorporating the philosophy, skills and strategies of nurturing parenting. Participants will learn how to design **home-based** and **group based** parenting programs utilizing the proven lessons of the Nurturing Parenting Programs. A **hands-on approach** to conducting home and group based Nurturing Programs that includes facilitating weekly sessions, how to use program materials, videos and assessment tools, children and parents program activities, family home practice assignments, icebreakers, personal growth lessons, activities for personal power, alternatives to corporal punishment, building self-esteem, self-concept and empathy in parents and children.

The Nurturing Programs® are based on extensive research and are included on the **National Registry for Evidence Based Practice Programs.**

Workshop Fee:
\$300.00

Includes all needed workshop materials.

Curriculum can be purchased separately.
