

Who Should Attend?

Social workers, school counselors, mental health clinicians, juvenile justice counselors--anyone who is interested in the Nurturing Parenting Program.

Come Learn About:

- The Nurturing Parenting Program's philosophies
- The Five Constructs of the Nurturing Program and how each construct relates to the philosophies
- Group dynamics with use of the Nurturing Program
- The 13 specifics points within the Nurturing Program curriculum.

Due to the Covid-19, this training will be done completely online.

CCHF is proudly sponsored by grants from:

Nurturing Facilitator Training

Resource Center 609 Harper Ave., Lenoir, NC

July 29-July 31, 2020

**Sponsored by the
Caldwell Committee
for Healthy Families**

Nurturing Facilitator Training

The Nurturing Facilitator Training will provide participants knowledge regarding values, philosophies and beliefs established by the Nurturing Parenting Program. We will focus on the specific curriculum designed for each age group, as well as for cultural sensitivity. This training will provide hands-on information so that each participant may facilitate a Nurturing group.

Participants will learn the Five Nurturing Constructs that make up the core of the Nurturing Parenting Program.

1. Inappropriate Expectations
2. Empathy
3. Corporal Punishment
4. Role Reversal
5. Power and Independence

Nationally Recognized Trainer

The workshop will be facilitated by Jennifer Crowe. Ms. Crowe is a school social worker in the Caldwell County Schools and a contracted facilitator for the Caldwell Committee for Healthy Families. Ms. Crowe is a Nationally Recognized Consultant and Trainer for the Nurturing Parenting Program. She has many years of experience in the various Nurturing Programs across the state.
