

What participants are saying...

I learned the importance of reflection and validating different cultures.

I learned a lot from the philosophy of this program. The training was interesting and full of humor.

Great interactive and open training.

The trainer was extremely pleasant. I enjoyed every aspect of the training.

It was nice to be a part of a more reflective learning experience.

Awesome training! I learned a lot about myself.

I love that we were able to practice and get a feel of what it's like to facilitate a Nurturing Parenting class.

I am leaving here feeling capable of implementing this material with what I currently do as a home visitor.

SIX Protective Factors

The Nurturing Parenting Programs meet and exceed the Six Protective Factors identified by the U.S. Government for the prevention and treatment of Child Abuse and Neglect.

A 3-Day Nurturing Parenting Program® Facilitator Training

with
Mayra Gonzalez-Sanchez
Nationally Recognized Trainer/Consultant

Los Angeles, CA
September 24-26, 2019

Learn how to implement the **evidence-based** Nurturing Parenting Programs to meet the specific parenting needs of families.

In three days, participants will learn:

- The Philosophy of Nurturing Parenting
- Five Parenting Constructs of Abuse/Neglect
- The Impact of Maltreatment on Brain Development
- How to Assess High-Risk Parenting Beliefs
- How to Tailor Programs based on Family's Needs
- How to Gather Process Evaluation Data
- How to Evaluate Pre and Post Program Impact
- How to Implement Home & Group-Based Models

TRAINING DESCRIPTION

The three-day training will focus on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, creating competency based parenting lessons and programs tailored to meet the individual parenting needs of families, and implementing programs at the primary, secondary and tertiary levels of prevention.

Participants will experience a hands-on approach to implementing home-based, group-based and a combination home-based/group-based program model.

Participants will learn how to administer and score the online versions of the Adult-Adolescent Parenting Inventory (AAPI-2) and the Nurturing Skills Competency Scales (NSCS), and how to select the best Nurturing Program model for your agency.

Participants will also learn how to monitor the success of families through on-going process evaluation strategies designed to measure the attainment of parenting knowledge and skills.

The Nurturing Parenting Programs are proven, evidence-based, family focused programs first implemented in 1985 and recognized by national and state agencies for their effectiveness in preventing and treating child abuse and neglect.

Since 1985, over one million families have participated in the Nurturing Parenting Programs worldwide.
