## Nurturing Parenting Programs 3-Day Facilitator Training

Penny Lane Centers proudly presents Nurturing Program Training focused on community based parenting classes and the Home Based Visitor implementation. The Nurturing Parenting Programs are proven, evidence-based, family focused programs first implemented in 1985 and recognized by national and state agencies for their effectiveness in preventing and treating child abuse and neglect.

The **three day training** (*9am -4pm daily*) will focus on understanding the philosophy of nurturing parenting, assessing high risk parenting beliefs and environments, creating competency based parenting lessons and programs tailored to meet the individual parenting needs of families, and implementing programs at the primary, secondary and tertiary levels of prevention. Participants will also learn how to monitor the success of families through on-going process evaluation strategies designed to measure the attainment of parenting knowledge and skills.

Participants will experience hands on approach to implementing Home Based, Group Based and a combination Home-Based/Group-Based program models, learn how to administer and score the online versions of the Adult-Adolescent Parenting Inventory (AAPI-2) and the Nurturing
