

ABOUT THE TRAINER

~~Maureen Griner, MA, LMHC /RPT-S

Maureen Griner is an Infant Family Mental Health Clinician at the Infant Family Center at USF St Petersburg. Prior to moving to Florida in 2012, Maureen taught the Nurturing Parenting Program to military families at Fort Carson, Colorado for over 17 years. She has conducted over 25 Nurturing Facilitator trainings throughout the country. Maureen has been a Nurturing Program Trainer/Consultant since May 2000. In addition to her work with the Nurturing Program, she is a Certified Infant Massage Instructor and a Registered Play Therapist-Supervisor.

Maureen loves the outdoors and is an avid runner, skier, hiker, scuba diver, biker, and camper. She is most proud of her 31-year marriage to her husband Gary, their four amazing boys and beautiful grandson! Maureen is passionate about teaching the Nurturing Parenting Philosophy because of the amazing impact it has had on her own life and family. For questions about the content of the workshop or the Nurturing Parenting Program please contact Maureen at 727-641-5575 or email her at grinerm@mail.usf.edu.

Family Development Resources, Inc. Family Nurturing Centers, International

Incorporated in 1983, Family Development Resources, Inc. (FDR) was established by Stephen Bavolek for the expressed purpose of developing, validating, and distributing parenting programs, videos, and assessment tools to build nurturing parenting skills in families and consequently, prevent and treat child abuse and neglect. Family Nurturing Centers International was established to provide training and consulting in the Nurturing Parenting Programs throughout the U.S. and internationally.

The Nurturing Parenting Programs®

The Nurturing Parenting Programs are family-based programs with a proven track record of preventing the recurrence of child abuse and neglect. Departments of Social Services, as well as other branches and organizations in the helping professions, have relied upon the Nurturing Programs as a primary parenting program to break the generational cycle of child maltreatment and family dysfunction.

There are Nurturing Parenting Programs each addressing the specific needs of different populations:

- Prenatal Program
- Parents and Their Infants, Toddlers, and Preschoolers
- Parents and Their School-Age Children
- Parents and Adolescents
- Teenage Parents and Their Families
- ABC's Program for Parents and Kindergarteners
- Crianza con Cariño Birth to Five Years and 4-12
- African-American Parenting Program Supplement
- Nurturing Program for Hmong Families
- Nurturing Parenting Program for Christian Families
- Nurturing Camp Therapeutic Weekend Camp for Families
- Nurturing Skills for Parents
- Nurturing Skills for Teens
- Nurturing America's Military Families

Adult-Adolescent Parenting Inventory (AAPI-2)

The AAPI-2 has proven invaluable in assessing the parenting attitudes and child-rearing beliefs of parents and adolescents. Founded on five parenting constructs known to lead to abusive parenting, the AAPI provides scores that profile parents at risk for abusing and neglecting children. Now available on CD-ROM and on the internet at www.aapionline.com.

Three-Day Facilitator Workshop

Facilitator Training Workshops are designed to teach the philosophy, hands-on practice and tips for successful implementation of the group and home-based Nurturing Parenting Programs® and the Adult-Adolescent Parenting Inventory (AAPI-2). The Workshop will cover the following:

- The Nurturing Parenting Program philosophy, values, structure, and validation.
- Review of current programs and materials and how to effectively utilize them to fit your agency needs and client populations including practical applications of group processes and dynamics; training styles, activities and use of A/V materials;
- How to use current Family Development Resource Parenting Assessment tools to include the AAPI-2 and the Nurturing Skills Competency Scale
- Current information on research and findings in the fields of parent education, child abuse and neglect, and cultural parenting issues and how to successfully incorporate the Programs into grant and funding opportunities.

Who Should Attend?

Professionals and Para-professionals working in education, childcare, mental health, violence prevention, child welfare, school systems, treatment facilities, social work, and social services.

The Nurturing Program and the philosophy behind the program have successfully been utilized with Home-based Providers, Even Start Programs, School Districts, Therapist and Counselors, Women's Centers, Youth Centers, Child Protective Services, Day Care Facilities, Early Head Start/Head Start, and Early Childhood Intervention.
