

Nurturing Parenting® Programs

Three-Day Facilitator Training

2/25/2026, 2/26/2026 and 2/27/2026
8:30AM - 4:30PM

ABOUT THE TRAINING

The Nurturing Parenting® Programs are nationally recognized, evidence-based models designed to prevent and address child abuse and neglect. This training provides foundational knowledge and practical tools for professionals working with parents, children, and families.

PARTICIPANTS WILL LEARN:

- Core philosophy of Nurturing Parenting® and the five parenting constructs
- Effects of maltreatment on brain development and identifying high-risk parenting beliefs
- Tailoring programs to family needs and gathering evaluation data
- Measuring pre/post impact and implementing both home- and group-based models

INCLUDED WITH YOUR TRAINING:

- Facilitator Training Workbook, Facilitator Manual, Parent Manual and additional Training Handouts.
- Hands on practice administering & scoring AAPI 2.5, NSCS & PARTI.
- Implementation and Consultation opportunities to support implementation
- Certificate of Completion

MEET YOUR FACILITATOR:

Sinziana Bularca, MCABH has facilitated Nurturing Parenting® Programs since 2004, working with vulnerable families involved in child welfare and substance use treatment. She is passionate about supporting families and helping facilitators deliver the programs effectively.
