TESTIMONIALS: ***"****I think it was excellent, and I thoroughly enjoyed the training.*

"Carol was engaging and I learned a lot."

"I think the training was great. It has helped me become more confident in my ability to facilitate and understand what I am going to be teaching my clients…"

"Carol was clear & helpful, giving us time to understand & work as a Team"

The Nurturing Parenting® Programs

The Nurturing Parenting® Programs are proven, evidenced-based, family focused programs, recognized for their effectiveness in preventing and treating child abuse and neglect. Dept. of Social Services, Day Care Facilities, Prevention Programs of Community Services' Boards, women centers, parenting centers, and many other organizations committed to helping families and children, have utilized NPP as a primary parenting program to promote healthy family life and break the cycle of child maltreatment.

Nurturing Parenting® Programs, work to address the specific needs of different populations, at different levels. **Which NPP curricula do you provide or will you provide with families?**

For more information on programs, go to www.nurturingparenting.com to review which Program most meets your families' needs, then call the trainer Carol, so she can order your curriculum, which you must have prior to the training. In these 19 hours of training, you will learn:

- The philosophy, values, goals, structure, and validation of the Nurturing Parenting® Programs.
- The 5 Parenting Constructs of abuse/neglect and how NPP works on: Re-Parenting in knowledge/ beliefs and skills, the impact of maltreatment on brain development, how to assess high risk parenting beliefs, how to gather process evaluation data as well as pre-post program evaluation data.
- How to utilize competency- based parenting lessons and programs to meet individual parenting needs of families; How to Implement group and home- based Nurturing Parenting® Programs at the different prevention levels: primary, secondary, tertiary, and comprehensive; including hands-on practice activities in, use of program materials/ videos, assessment tools, family home practice assignments, icebreakers, family time. This training works to simulate the format of what takes place in a Nurturing Parenting® Program class.
- How to administer and score online versions of the Adult-Adolescent Parenting Inventory (AAPI)and Nurturing Skills Competency Scale (NSCS) and how to identify the different models of Nurturing Parenting® Programs which address the different levels in parent education needs.

During this training, **Nurturing Parenting® Program Curricula will be reviewed. The Nurturing God's Way Parenting Program for Christian Families®, and the Nurturing Program for Parents & Their Children with Special Needs and Health Challenges™, require separate specialized or advanced training. Please go to the website. www.nurturingparenting.com for information on these 2 different trainings.**

Questions about the training? Contact Carol Dolber McMurray, MSW, ACSW at 804-402-1484 (c)

About the Trainer: **Carol Dolber McMurray, MSW, ACSW, is a Nationally Recognized Trainer/ Consultant with the Nurturing Parenting® Programs and an** active Member & Coordinator of **Virginia and Our Extended Nurturing Network**. She has worked with and on behalf of children and families for over thirty-five years, particularly in the field of foster family care and adoption.
