ONLINE WORKSHOP

This workshop will be delivered using the
ZOOM online meeting platform

Est. 1983

This 3-day workshop will
**prepare participants to
deliver the Nurturing
Programs®** to clients
utilizing the philosophy,
skills, and strategies of the
Nurturing Parenting®
evidence based practice
programs.

Among covered topics are how to select and use
program materials, videos, and assessment tools.
We will practice program activities, nurturing skills,
and family home practice assignments. Also
discussed will be alternatives to corporal
punishment along with building the concepts of
empathy and self esteem in children and families.
