Nurturing the Families of Hawaii. The evidence based curriculum is specially designed to meet the needs of Hawaii's diverse population. The program is designed to increase a parent's competency in various nurturing parenting skills.

The Nurturing Parenting Programs target all families at risk for abuse and neglect with children birth to 18 years. The programs feature activities to foster positive parenting skills with nurturing behaviors, promote healthy physical and emotional development, and teach appropriate role and developmental expectations. Lessons can be delivered in a home-based setting, group-based setting, or combination of home and group settings.
