January 2027

Jan 4 & 5: *9AM-4:30PM*
Jan 6: *9AM-12PM*

This workshop will be delivered in Central Standard Time (CST) using the ZOOM online meeting platform

This 3-day workshop will **prepare participants to deliver the Nurturing Parenting® Programs** to clients utilizing the philosophy, skills, and strategies of the Nurturing Parenting® evidence based practice programs.

Covered topics include selecting and using program materials, videos, and assessment tools. Participants will practice program activities, nurturing skills, and family home practice assignments. Training will also explore alternatives to corporal punishment, as well as strategies for building empathy and self-esteem in children and families.
