## ONLINE WORKSHOP

**This workshop will be delivered using the  
ZOOM online meeting platform**

This 3-day workshop will  
**prepare participants to  
deliver the Nurturing  
Programs®** to clients  
utilizing the philosophy, skills,  
and strategies of the  
Nurturing Parenting®  
evidence based practice  
programs.

Among covered topics are how to select and use  
program materials, videos, and assessment tools.  
We will practice program activities, nurturing skills,  
and family home practice assignments. Also  
discussed will be alternatives to corporal  
punishment along with building the concepts of  
empathy and self esteem in children and families.
