

Nurturing Parenting® Program for Child Abuse Risk Assessment Training

2 DAY FACILITATOR TRAINING

The Nurturing Parenting® Programs are proven, evidence-based, family focused programs first implemented in 1985 and recognized by national and state agencies for their effectiveness in preventing and treating child abuse and neglect.

This day-and-a-half intensive workshop is a deep dive into the assessment and analysis of the evidence-based abuse risk assessments created by the Nurturing Parenting Programs: AAPI (Adult Adolescent Parenting Inventory), NSCS (Nurturing Skills Competency Scale), and PARTI (Parenting Attitudes Raising Teens Inventory). Many parts of this training will be experiential and involve case conceptualization and exploratory learning! Long time facilitators, newbies and program support staff could benefit!
