Learn the philosophy and goals of Nurturing Parenting and how to implement & facilitate the group and home-based programs.

The Nurturing Parenting Programs® are recognized by the National Registry of Effective Programs and Practices (NREPP), the Substance Abuse-Mental Health Services Administration (SAMHSA) and the Office of Juvenile Justice and Delinquency Prevention (OJJDP).

This 3-day Facilitator training...will focus on incorporating the philosophy, skills and strategies of nurturing parenting. Participants will learn how to design home-based and group-based parenting programs utilizing the proven lessons of the Nurturing Parenting Programs. A hands-on approach that includes facilitating weekly sessions and explains how to use program materials with diverse and multi-cultural populations. The program utilizes assessment tools, children's and parents' program activities, family home practice assignments, icebreakers, personal growth lessons, communication dialogue, activities for personal power, positive discipline techniques, building self-esteem, emotional regulation, stress management, self-concept and explores empathy in parents and children. Participants will learn how to use the online version of the NSCS and *Adult-Adolescent Parenting Inventory(AAPI-2)* to gather pre/post program outcome data.

The Nurturing Parenting Programs®

The Nurturing Parenting Programs are family-based programs with a proven track record of preventing the recurrence of child abuse and neglect that address the specific needs of different populations:
