Included in SAMHSA's
National Registry of
Evidence-based
Programs and Practices

The Nurturing Parenting® Programs are proven, evidence-based, family focused programs first implemented in 1985 and recognized by national and state agencies for their effectiveness in preventing and treating child abuse and neglect.

6 Protective Factors

The Nurturing Parenting® Programs meet and exceed the Six Protective Factors identified by the U.S. Government for the prevention and treatment of Child Abuse and Neglect.

The 3-DAY CORE FACILITATOR TRAINING WILL FOCUS ON:

- Incorporating the philosophy, skills and strategies of Nurturing Parenting®.
- The impact of child maltreatment on brain development, assessing high-risk parenting belief systems and the 5 parenting constructs of abuse/neglect.
- Implementing home-based and group-based parenting program models utilizing the proven lessons of the Nurturing Parenting® Programs.
- How to gather and use the built-in assessment tools to tailor the program to a family's individual needs and monitor changes in belief systems/behaviors.
- Administering and scoring the Adolescent Parenting Inventory (AAPI-2.1) which has proven to be invaluable in assessing the parenting attitudes and child-rearing beliefs of parents and adolescents. For more info, visit www.assessingparenting.com

-Participants will plan and facilitate a mini lesson to their workshop peers-
